PROTON INSPIRA

BUILT FOR A BETTER DRIVE

Quality need not come with a hefty price tag. With the Proton Inspira, we give you a few added features that show exactly what we mean. From auto rain and light sensors, to the touchscreen GPS, we ensure that every part of the Inspira is as inspiring as its name.

From its inception, we only have quality in mind to deliver to you. That's why we maintain that some discerning features come as standard in the Inspira.

DESIGN

Distinctive front grille design.

PERFORMANCE

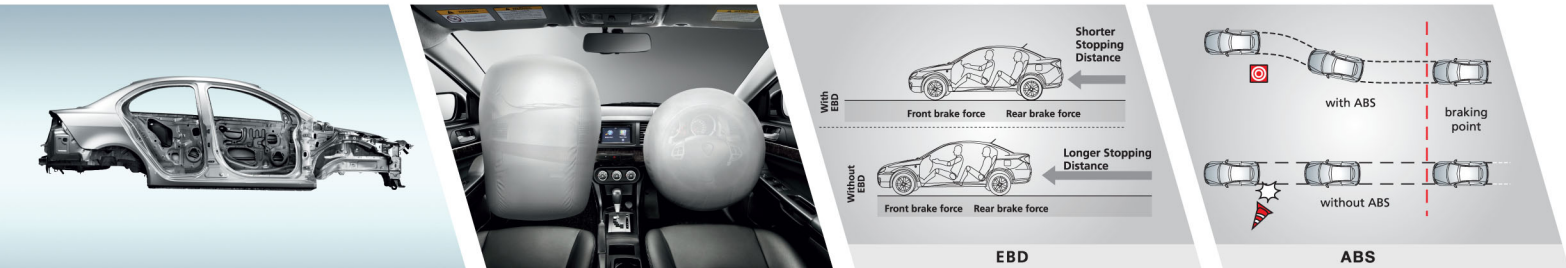

Sport Mode with Paddle Shift
The sport mode features a 6-step shift control that delivers a smoother drive.

Engine Capability
Features a lightweight aluminium block for better efficiency and MIVEC technology for more aggressive starts and maximum high-range output of 197Nm.

CVT with INVECS-III
6-speed CVT (Continuously Variable Transmission) with INVECS-III is an automatic transmission that allows for smoother gear changes.

ADVANCED SAFETY AND RELIABILITY

Strong Body Structure
The RISE (Reinforced Impact Safety Evolution) body is designed to absorb impact energy to give maximum protection to passengers.

Dual SRS Airbags
Dual SRS airbags protect both driver and passenger from severe injuries in the event of a collision.

ABS with EBD
This feature provides better stability and enhances braking performance to avoid crashes, especially on slippery roads or during emergencies. The system also features a backup EBD function, in the event of ABS failure.

FEATURES AND PRACTICALITY

The rain sensor triggers the wipers when there is rain. The auto light sensor automatically turns on your headlights when driving and approaching dark areas.

Auto cruise control at steering wheel automatically controls speed.

Trunk lid remote release will unlock the boot at the touch of a button.

COMFORT AND UTILITY

Roomy cabin space with ergonomically designed seats for pure comfort.

Foldable rear seat 60:40 split to extend trunk cargo space.

Front seat back pocket for your magazines.

The fully automatic air conditioner maintains the ideal cabin ambience for your driving pleasure.

INSPIRA 2.0P

The devil is in the detail and whilst subtle, we believe they make all the difference between the Inspira 2.0P and 2.0E
